

Partners in Flight Western Working Group Challenge “7 Simple Actions to Help Birds”

In less than a single lifetime, North America has lost more than one in four of its birds.

While these numbers can seem overwhelming, there are many things we can do to make a difference, such as the 7 Simple Actions to Help Birds.

1. Make windows safer, day and night.
2. Keep cats indoors.
3. Reduce lawn, plant natives.
4. Avoid pesticides.
5. Drink coffee that's good for birds.
6. Protect our planet from plastic.
7. Watch birds, share what you see.

Partners in Flight Western Working Group recently thought about what we can do to help, and we hatched the PIF WWG 7 Simple Actions Challenge!

Challenge

1. ...yourself as an individual to adopt as many of the 7 actions as possible in your life at home.
2. ...your organization to adopt as many of the 7 actions as possible in your workplace.
3. ...another organization to adopt as many of the 7 actions as possible.

There will be prizes for

1. ...the first person to adopt 5 of the actions.
2. ...the first person to adopt all 7 of the actions.
3. ...the first person to convince their workplace to adopt the 7 actions.
4. ...the first person to successfully convince another organization to rise to the challenge.

Watch for regular posts and requests to share your actions on the Partners in Flight Western Working Group Facebook Page.
